DAILY REFLECTIONS

AS WE UNDERSTAND HIM

*My friend suggested what then seemed a novel idea. .
. . . "Why don't you choose your own conception of
God?" That statement hit me hard. It melted the icy
intellectual mountain in whose shadow I had lived and
shivered many years. I stood in the sunlight at last. It
was only a matter of being willing to believe in a Power
greater than myself. Nothing more was required of me
to make my beginning.*
